① From July 5th 2016 to July 21st 2016 Captain John Hutton
did leave me and my cell mate Michael Key in a Scabies
infested cell after medical said the cell need to be cleaned and
emptied for 72 hours an order to get rid of the scabies. I
got reinfested 2 more times causing me to get a life
threatening infection that left my body permentily scared.

② On July 21st 2016 I refused to go in my cell by sitting
down on a bench while in hand cuffs because my cell
still had Scabies an I had just been treated for an
infection caused by scabies. Lt Johnson did order CO's
to pepper spray and beat me with batons while I was
still in hand cuffs breakin. my hand in the process.

I had to have surgery on my hand because it was an open break with the bone sticking out of my hand. I asked for a 208 complaint form to report the assault but was never given one.

③ On Aug 18th 2016 I was trying to get officer Haygood to take me to medical for chest pains. He slammed my hand in the tray port rebreaking my hand after I had just had my hand surgically repaired. I reported the assault to Lt Johnson and Capt Hutton and nothing was done.

V. RELIEF

State briefly *exactly* what you want the court to do for you. Make no legal arguments. Cite no cases or statutes.

I want to be payed in the sum of a 100,000 dollars for pain and suffering, neglect that lead to permanent scarring on my feet, thighs, chest and back, An for crude and ~~inhuman~~ inhuman punishment. And excessive force that lead to permanent damage to my hand not once but twice in as many months.

*I declare under penalty of perjury that the foregoing is true and correct.
